About Central Piedmont Sporting Clays Classic

Central Piedmont Community College is highly accessible and convenient to people of all ages who seek a real-world, affordable, hands-on education that will transform their lives and strengthen the economic, social, and cultural environment of Mecklenburg County.

The Central Piedmont Sporting Clays Classic benefits U.S. military veteran and first responder students enrolled at the college. This annual fundraiser is one of the premier sporting clays events in the region and is specifically dedicated to providing support for much-needed programs, services, and scholarships for these individuals who have and will continue to serve our country and community.

The Sporting Clays Classic features morning and afternoon rounds of competition, lunch, awards ceremony, and other special activities for participants.

Why your participation matters

Security and safety are some of the most pressing challenges the Charlotte region faces today. Public safety training courses and officer training courses at Central Piedmont prepare students for success in critical jobs in both business and government settings. A solid foundation in criminal justice courses is an entry to many law and safety-related careers. Central Piedmont is a trusted resource for students exploring a career in public safety and those looking to continue their education and advancement in the sector. New partnerships such as the one with MEDIC guaranteeing graduates a job right out of their program and innovative offerings such as an associate degree in Public Safety Administration allow our students to kick-start and boost their careers, increasing their earning potential over time.

Central Piedmont has been named by G.I. Jobs magazine as a Military Friendly School multiple years in a row. This honor ranks Central Piedmont in the top 15% of all colleges, universities, and trade schools nationwide. Central Piedmont's Military Families and Veterans Services proudly assists Central Piedmont students, family members, and veterans who are transitioning from military duty to civilian life by providing a holistic service approach, connecting them to academic advising, counseling, GI Bill-VA assistance, and scholarships as well as community resources such as Veterans Bridge Home and NCServes Metrolina.

Your support of these programs helps Central Piedmont serve those who have served and continue to serve our community and country.
