INVESTING IN STUDENTS

Supporting Military Veteran and First Responder Students

On April 25, 2025, Central Piedmont proudly hosted its 21st Annual Sporting Clays Classic—rallying support for U.S. military veteran and first responder students and the programs that empower them.

Participants, sponsors, and college volunteers came together at Meadow Wood Farms for a day filled with sport, community, and meaningful conversation. Thanks to generous corporate sponsorships, the event raised \$315,000—the most raised in its history. We extend our heartfelt thanks to everyone who made this event a success for our students!

Gratitude in Action

On Dec. 6, 2024, nearly 85 scholars and donors gathered on Central Campus for a joyful breakfast celebration. The morning buzzed with heartfelt conversation and new connections as scholars shared their college journeys and thanked the donors whose support is helping turn their dreams into reality.

INVESTING IN PARTNERSHIPS

Celebrating a Life and Legacy

On March 13, 2025, family, friends, and business colleagues gathered at the Parr Center to celebrate the life of Travis Hain, who served on the Central Piedmont Foundation Board from 2021-24. In a heartfelt tribute to his enduring impact, this special group established the Travis Hain Memorial Endowed Scholarship. This lasting gift will support students pursuing an AAS in Business Administration—empowering future leaders and carrying forward Travis' spirit of service, mentorship, and generosity for generations to come.
